

## CHRISTMAS CHEER

There was plenty of Christmas spirit in evidence at St Mary's as the term drew to a close.

Amongst the other classes, Form 1 pupils at the Junior School performed their version of the nativity play 'The Smallest Star' to an audience at the school and at the Hope Residential & Nursing Care Home. Form 5 pupils were also treated to a Tudor Christmas, complete with Tudor feast. At the School's Christmas Fair, Year 11 students gave striking new looks to all at their face-painting stall.

The staff joined in with the festive cheer too – the St Mary's Crooners sang 'Let It Snow' at the Christmas concert, accompanied by another member of staff dressed as a snowman!
