

Activities and Clubs in Extra-Curricular Time for the first half term after Christmas

CHANGES THIS HALF TERM

Some of the new clubs on offer this term include ‘An Introduction to Japanese Language and Culture’, ‘Knitting and Novels’ and Football. Look at the programme below for full details.

Some of the following activities and clubs will continue throughout the year but others will run for only a term or half term. For any further information about any of the activities or clubs, students should see the teacher in charge of that activity.

If you would like to join any club please either see the teacher in advance or go to the room at the time advertised below.

You should attend activities on a regular basis unless it says below that you may attend on a drop-in basis. Please follow the protocol for each activity you attend:

After-school Activities Protocol

1. Pupils staying in school after the last timetabled lesson of the day (in the senior school that is 4:00 p.m. on Monday, Thursday and Friday; 3:05 p.m. on Tuesday and Wednesday) are required to sign the appropriate sheet at reception. Pupils can do this during the day or immediately before attending an activity/club.
2. When pupils leave an activity/club they are required to leave the premises and to sign out at reception.
3. Homework club runs independently and operates its own signing in/out list in the library. It has a telephone.

After School activities generally finish at 5.15pm and inevitably there may be a limit to how many students can attend a club – see the individual teacher concerned if you are in any doubt. It is also inevitable that there will be some clashes. However, the school has done its best to minimise these and to provide a rich and stimulating extra-curricular programme for everyone.

Monday

12.40 - 1.10	Yr 7 - 9 Biology Club in B2 - Mrs Chatterjee. Available on a drop-in basis (but see Mrs Chatterjee on the previous Friday if possible)
