

## OXBRIDGE OFFERS 2008

We are delighted that three students have been offered places at Oxford or Cambridge Universities this year. Emma Stoye has gained a place at Somerville College, Oxford, to read Biological Sciences. Head Girl Veronique Thouroude has gained a place at St Hilda's College, Oxford to read History and one of our Deputy Head Girl team, Sarah Smart, has gained a place at Downing College, Cambridge to read Social and Political Sciences.

The three girls above follow the five students from St Mary's who gained places at Oxbridge colleges last year.
