

## SPORTING EXCELLENCE AWARD WINNERS

Congratulations must go to Zahra M, Marianne O and Sara H in Year 11. They attended the Roy Burrell Awards evening, where they were presented with their medals by Lucy Pearson from the England Women's Cricket Team.

The Roy Burrell Awards are given annually, in recognition of excellence, participation and an exemplary attitude to school sport, as well as the recipient's chosen sporting sphere. Besides school teams, Zahra was recognised for her achievements in karate, Marianne for sprinting and Sara for horse-riding.

In addition, Sara was awarded runner-up in the Female Sports Personality of the Year Award, in recognition not only for her achievements in horse-riding at National level, but also for regularly competing at Regional level in Tetrathlon (Swimming, Shooting, Running & Cross-Country Riding) and County Netball, not forgetting all of the school teams! Where does she find the time?!
