

BOOK WEEK READATHON!

Junior School girls were presented with a certificate this week from the Malcolm Sargent Cancer care for Children and The Roald Dahl Foundation, thanking the Junior School for donating a huge £1339.52 from their Book Week Readathon.

The Readathon, which took place in February was open to all Key Stage 1 & 2 pupils. Pupils were sponsored to read as many books as possible over a 4 week period. For the younger girls this also included books being read to them as well as listening to stories on tape.

Well done to everyone who took part, and also to Mrs Balls who organised the event.
