

## FORM 2 VISITS THE FOLK MUSEUM

Form 2 visited the Cambridge Folk Museum in February, here are some write up's from the class.

We went on a bus and got off at Bridge Street. A lady called Tamsin taught us about wash day 100 years ago. We saw a Victorian mangle, some of us had our photo taken next to it and then we dried a hankie. We saw an ell catcher that is called a grig. I learnt a lot of interesting things about the past. (Lydia)

My favourite part of the Museum was when we saw the old fashioned toys. The weirdest thing as the toaster, nothing was electrical. We all had a go at pushing the pump. Then we went back to school on the bus and had lunch. (Azalea)
