Examinations: Emergency Evacuation Procedure and Policy for Public Exams

This policy is the responsibility of the Exams Officer.

This policy is updated annually in line with updates to JCQ General Regulations.

Last reviewed: October 24

Next Review: October 25

Purpose of the policy

This policy details how St Mary's School deals with an emergency evacuation of the exam room(s) by defining staff roles and responsibilities and confirming the emergency evacuation procedure.

When is an emergency evacuation required?

An emergency evacuation is required where it is unsafe for candidates to remain in the exam room. This might include a fire in the exam room, the fire alarm sounding to warn of fire, bomb alert or other serious threat.

In exceptional situations, where candidates might be severely disadvantaged or distressed by remaining in the exam room, the emergency evacuation procedure may also need to be followed. This might include situations where there is severe disruption in the exam room, serious illness of a candidate or invigilator or similarly serious incidents.

As each incident may be different, advice will be sought from the relevant awarding body as soon as it is safe to do so (ICE 25.6)

Where candidates are unable to return to the building to complete the examination, the relevant awarding body will be contacted immediately for advice.

Emergency Evacuation Procedure during public examinations

A copy of this document must be available in every examination room.

Before the examination season:

The Examinations Officer will ensure that invigilators are familiar with the emergency procedures contained in this document.

Before each examination:

Students will be told to follow the instructions of the invigilator in case of emergency.

The invigilator must take the following action in an emergency such as a fire alarm:

Actions to be taken (as detailed in current [JCQ Instructions for conducting examinations](#) section 25.3, Emergencies)

- Tell the candidates to stop writing and leave the question papers and scripts on their desks. Note the time.
- **The invigilator should collect the exam register** and evacuate the candidates by following the emergency exit signs.
- Evacuate the room in an orderly fashion – row by row. Candidates should leave the room **in silence**. **The candidates must not attempt to collect bags or coats.**
- Assemble the candidates in:

Grassed area by the side of the hall

- When assembled check the candidates against the exams register.
- The examination candidates must not have contact with other pupils and must not have mobile phones in their possession.
- Ensure that the candidates are supervised as closely as possible while they are out of the examination room.
- Ensure there is no discussion about the examination. Inform the candidates that they are still under examination regulations.
- At the end of the emergency the Examinations Officer or a senior member of staff will inform you when to return to the examination room.
- On return to the examination room make a note of the time of the interruption and how long it lasted.
- When settled in the examination room allow the candidates the full working time set for the examination.
- Make a full written report of the incident and of the action taken to the EXAMINATIONS OFFICER (to be retained on file, and if required, will be sent to the relevant awarding body).
